Skills

ES6 Javascript, React, Redux, HTML5, AngularJS, CSS, SASS, LESS, jQuery, Backbone.js
Git, Mercurial, Webpack, Grunt, Gulp, Node, PHP

Study

In my free I try to keep up with the changing Front End tech landscape by learning new skills and trying out various libraries / frameworks. The vast majority of this has been Javascript based but more recently I have been looking into Elm.

Hobbies / Interests

Bodyweight Fitness Training, Mountain Biking, Snowboarding, Eating Burgers
